

Final Assessment

UI Test Report

Tested By: Premchand Chellisseril Pramod

Date: 21-07-2026

Git Link: [RajaVUst/SDET](#)

1. Objective

Objective

Automate flow for removing product from cart and payment validation

Remove Product Validation Flow: Add Products To Cart → Open Cart → Remove Items → Confirm Assertions

Payment Validation Flow : Add Product to Cart → Open Cart → Continue → Enter User Details → Enter Payment Details → Place Order

3. Flows Under Test

Remove Product Validation Flow: Add Products To Cart → Open Cart → Remove Items → Confirm Assertions

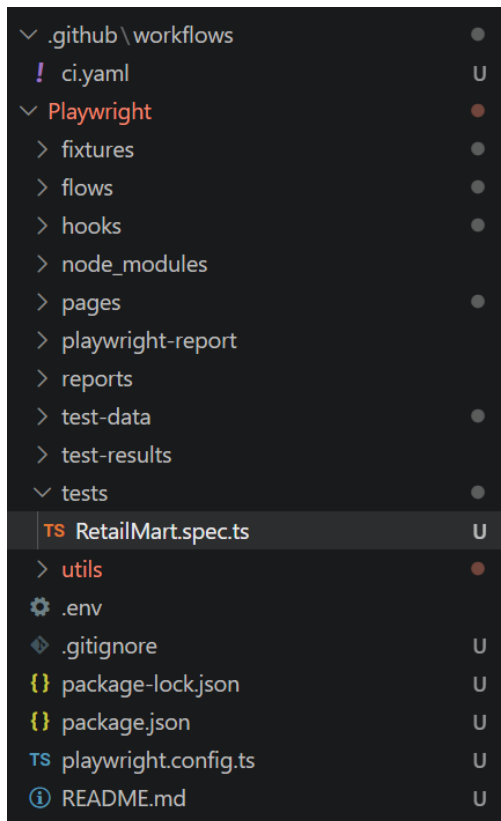

Payment Validation Flow : Add Product to Cart → Open Cart → Continue → Enter User Details → Enter Payment Details → Place Order

Execution Command:

npx playwright test

4. Framework Design

Folder Structure

Components

Fixtures

Contains fixtures for passing states and implementing logging

Flows

Contains automation flow which can be reused

Hooks

Setup and teardown for a test

Pages

Contains pages with page related locators and functions

Test-data

Contains data to be used in the flow

Utils

Contains utility that can be used when debugging ie, logger

5. Test Scenarios Covered

1. **Remove Product Validation Flow:** Add Products To Cart → Open Cart → Remove Items → Confirm Assertions

STATUS: PASSED

1. Add Products to Cart

The screenshot shows a Playwright test run for 'RetailMart.spect.ts:5' with the title 'Remove Product Validation'. The timeline at the top indicates a duration of approximately 9.0 seconds. The 'Filter actions' panel on the left lists the following actions:

- Navigate to "/" (1.2s)
- Expect "toBeVisible" (76ms)
- getByRole('heading', { name: 'Shop... (578ms)
- Click (448ms) **10**
- locator("[data-testid='add-to-cart... (304ms) **2**
- Click (307ms)
- getByTestId('cart-link') (307ms)
- Expect "toBeVisible" (18ms)
- getByTestId('cart-items-list')

The main window displays the RetailMart homepage with the heading 'Shop Everything at RetailMart'. The 'Category' section lists various products, including 'ProSound Wireless Headphones', 'TheGaze 15 Laptop', and 'QuickCharge 6188 USB-C Hub'. The 'Add to Cart' button is highlighted for the headphones.

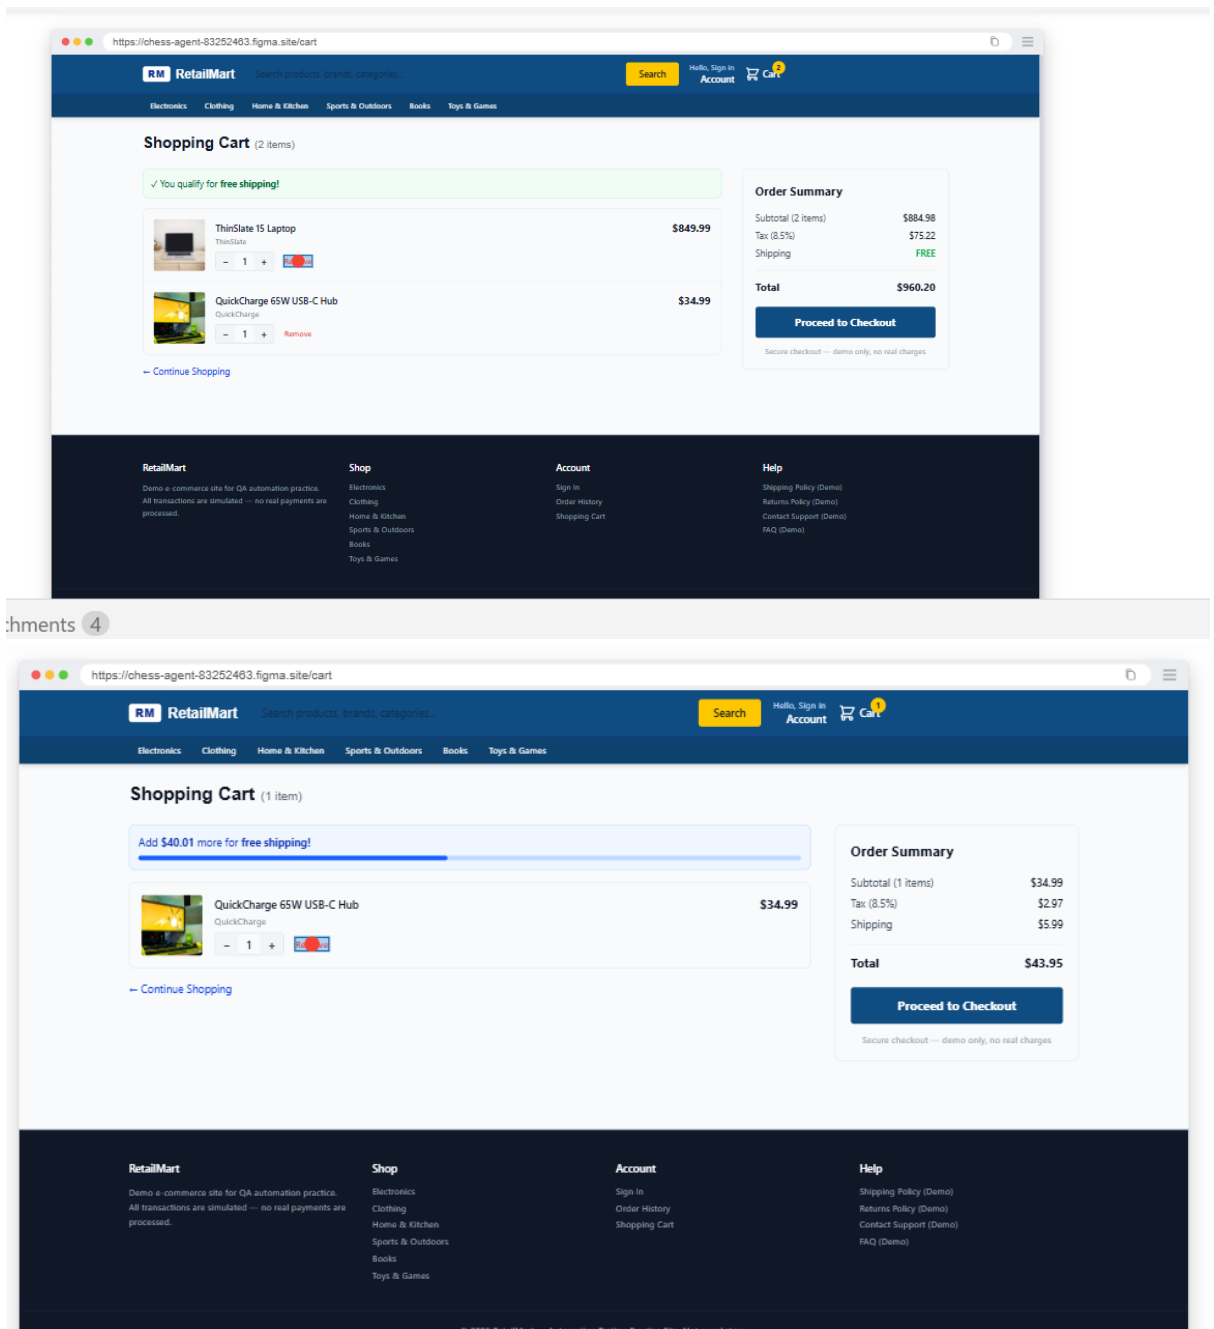

2. Open Cart

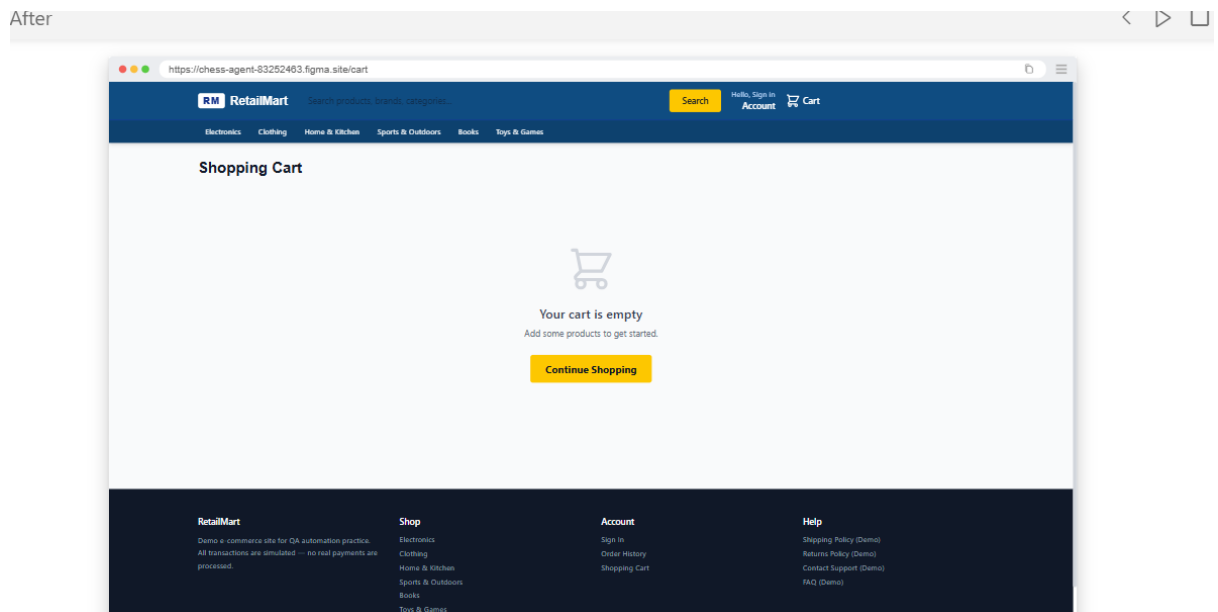

The screenshot shows a Playwright test run for 'RetailMart.spect.ts:5' with the title 'Remove Product Validation'. The timeline at the top indicates a duration of approximately 9.0 seconds. The 'Filter actions' panel on the left lists the following actions:

- Click (448ms) **10**
- locator("[data-testid='add-to-cart... (304ms) **2**
- Click (307ms)
- getByTestId('cart-link') (307ms)
- Expect "toBeVisible" (18ms)
- getByTestId('cart-items-list')
- Screenshot (595ms) **2**
- Attach "Cart With Prod... (4ms)
- Click (105ms)
- getByRole('button', { name: 'Remo... (135ms)
- Click (135ms)
- getByRole('button', { name: 'Remo...

The main window displays the 'Shopping Cart' page with 3 items. The items are 'ProSound Wireless Headphones', 'TheGaze 15 Laptop', and 'QuickCharge 6188 USB-C Hub'. The 'Order Summary' section shows a total of \$1057.84. The 'Proceed to Checkout' button is highlighted.

3. Remove Items

2. Payment Validation Flow : Add Product to Cart → Open Cart → Continue → Enter User Details → Enter Payment Details → Place Order

3. Enter user details

The screenshot shows the 'Checkout' page for 'RetailMart'. The URL is 'https://ohess-agent-83252483.figma.site/checkout'. The page has a dark blue header with the 'RetailMart' logo, a search bar, and links for 'Hello, Sign in', 'Account', and 'Cart'. Below the header is a navigation bar with categories: Electronics, Clothing, Home & Kitchen, Sports & Outdoors, Books, and Toys & Games. The main content area is titled 'Checkout' and shows progress: '1. Shipping' (active), '2. Payment', and '3. Confirmation'. The 'How would you like to checkout?' section has two options: 'Guest Checkout' (selected, 'No account needed') and 'Sign In' ('Use your account'). Below this is the 'Contact Information' section with fields for 'Full Name *' (Jane Smith), 'Email Address *' (jane@example.com), and 'Phone Number *' (555-123-4567). At the bottom is the 'Shipping Address' section with a 'Street Address *' field. On the right, the 'Order Summary' shows 'ProSound Wireless Headphones' for \$89.99, a subtotal of \$89.99, tax of \$7.65, free shipping, and a total of \$97.64.

4. Enter payment details

The screenshot shows the 'Payment' page for 'RetailMart'. The URL is 'https://ohess-agent-83252483.figma.site/payment'. The page has the same header and navigation bar as the checkout page. The main content area is titled 'Secure Payment' with a note 'Demo — no real charge'. It contains fields for 'Cardholder Name *' (Jane Smith), 'Card Number *' (4539 5784 2134 6692), 'Expiry (MM/YY) *' (09/30), and 'CV *' (744). A large blue button says 'Place Order — \$97.64'. Below the button is a link to 'Back to Shipping'. On the right, the 'Order Summary' is identical to the checkout page. At the bottom, there is a footer with four columns: 'RetailMart' (demo site for QA), 'Shop' (categories), 'Account' (Sign in, Order History, Shopping Cart), and 'Help' (Shipping Policy, Returns Policy, Contact Support, FAQ). A copyright notice is at the very bottom.
